Member Overview

Big Bar Guest Ranch is "One of the Most Scenic Rides in Canada!" (rated by Canadian Cowboy Magazine) and "#1 Family Guest Ranch in North America" (rated by Sunset Travel Magazine).

Big Bar Guest Ranch is nestled in the rolling hills of the Cariboo where time has no meaning. In the heart of cattle country, the spirit of old-fashioned hospitality, good-old home cooking and a relaxed western atmosphere lives on.

As one explores this immense untamed valley, the only distractions are the yip-yip of a coyote, the hoot of an owl, deer bounding over an open meadow, mama bear watching over her playful cubs or the whinny of a horse.
